

Linksys SE1500 | 5-Port Fast Ethernet Switch

Easily connect more office and entertainment devices to expand your home network

Key Features:

- Wired connection speed up to 100 Mbps
- 5 Fast Ethernet (10/100) auto-sensing ports
- Quality of Service (QoS) traffic prioritization
- Plug & Play

The Cisco Advantage

- Cutting edge technology from the networking leader
- Best-in-class security
- 24/7 Award-winning customer support
- One year hardware limited warranty

POWERFUL HOME NETWORKING PERFORMANCE

Linksys SE1500 | 5-Port Fast Ethernet Switch

Plug & Play

This compact switch is designed to conserve desktop space and is easy to use – no configuration required. Easily connect computers, printers, storage, game consoles, and more, to instantly expand your home network.

Quality of Service

QoS traffic prioritization technology delivers high performance so you can enjoy smooth video streaming and gaming. Auto-sensing ports automatically optimize speed for each connected device.

Power Saving

Includes special power saving features for optimal efficiency.

- Auto power-down disables unused ports
- Port status switch to control LED lights
